

# Nursing Home

## Battery Smoke Detector Test Log 2006

Ref. Centers for Medicare and Medicaid Services S&C-05-25, dated April 14, 2005

All nursing homes that are not equipped with a completed automatic sprinkler system must be provided with smoke detectors in all resident sleeping rooms and common areas such as dining rooms, activity rooms, meeting rooms where residents are located on a regular basis, and other areas in the facility where residents may gather together with other residents, visitors, and staff. These detectors must be installed in accordance with the manufacture's recommendations but not more than 30 feet apart. Battery powered smoke detectors must be tested weekly and batteries must be changed semi-annually, or if the battery has a longer life in accordance with the manufacture's recommendation.

Battery powered detector weekly test log. Check box if all detectors have been tested:

January Week 1	<input type="checkbox"/>	February Week 1	<input type="checkbox"/>	March Week 1	<input type="checkbox"/>
January Week 2	<input type="checkbox"/>	February Week 2	<input type="checkbox"/>	March Week 1	<input type="checkbox"/>
January Week 3	<input type="checkbox"/>	February Week 3	<input type="checkbox"/>	March Week 1	<input type="checkbox"/>
January Week 4 Clean	<input type="checkbox"/>	February Week 4 Clean	<input type="checkbox"/>	March Week 1 Clean	<input type="checkbox"/>
April Week 1	<input type="checkbox"/>	May Week 1	<input type="checkbox"/>	June Week 1	<input type="checkbox"/>
April Week 2	<input type="checkbox"/>	May Week 2	<input type="checkbox"/>	June Week 2	<input type="checkbox"/>
April Week 3	<input type="checkbox"/>	May Week 3	<input type="checkbox"/>	June Week 3	<input type="checkbox"/>
April Week 4 Clean	<input type="checkbox"/>	May Week 4 Clean	<input type="checkbox"/>	June Week 4 Clean	<input type="checkbox"/>
July Week 1	<input type="checkbox"/>	August Week 1	<input type="checkbox"/>	September Week 1	<input type="checkbox"/>
July Week 2	<input type="checkbox"/>	August Week 2	<input type="checkbox"/>	September Week 2	<input type="checkbox"/>
July Week 3	<input type="checkbox"/>	August Week 3	<input type="checkbox"/>	September Week 3	<input type="checkbox"/>
July Week 4 Clean	<input type="checkbox"/>	August Week 4 Clean	<input type="checkbox"/>	September Week 4 Cl	<input type="checkbox"/>
October Week 1	<input type="checkbox"/>	November Week 1	<input type="checkbox"/>	December Week 1	<input type="checkbox"/>
October Week 2	<input type="checkbox"/>	November Week 2	<input type="checkbox"/>	December Week 2	<input type="checkbox"/>
October Week 3	<input type="checkbox"/>	November Week 3	<input type="checkbox"/>	December Week 3	<input type="checkbox"/>
October Week 4 Clean	<input type="checkbox"/>	November Week 4 Cl	<input type="checkbox"/>	December Week 4 Cl	<input type="checkbox"/>

Batteries must be replaced semi-annually. Date batteries replaced. \_\_\_\_\_ & \_\_\_\_\_,

Smoke detectors must be cleaned at least once a month: gently vacuum off any dust using your vacuum's soft brush attachment and test after cleaning.

Smoke detectors must be replaced after 10 years.

\* Remarks: Please explain any equipment system failures and corrective action that was taken.
